## GATHER - BE DISCIPLES

On Sundays, we offer opportunities for adults and children to worship and learn about our God. Seventh grade through adults worship in the main worship center. Preschool and children (birth - 6th graders) worship in various age appropriate programs. See our Welcome Center in the foyer with any questions you may have!

## GROW - MAKE DISCIPLES

"Be a disciple... Make disciples... Be the church... To the glory of God" is the foundation of every activity in our church. We do this primarily through small groups called Hope Groups, Equipping Classes, Bible studies, and other events and activities throughout the year.

## SERVE - BE THE CHURCH

We can't do this without each other. Serving together not only helps those we are ministering to, but it also grows relationships within our church family as we work together with a single vision to love others and make Jesus known.

The HOPE, our news and events page, is where you can find information on getting involved, serving, and current events and activities we are offering.

## Hope for the Remnant Micah 2:12-13

Yahweh is our loving Shepherd

Yahweh is the triumphant King
